FIRST
REMINDER
OF MAINTENANCE FEES DUE

Return Date: December 9, 2003

Dear Client:

Our records indicate that payment of the maintenance fee(s) for the following U.S. patent(s) is(are) due on the indicated dates to keep the patent(s) in force. **NON PAYMENT OF MAINTENANCE FEES WILL RESULT IN LOSS OF PATENT RIGHTS.** To insure timely payment of the fee(s), please let us have your instructions for payment of same by marking "yes" or "no" in the last column of the enclosed copy of this letter and returning it to us not later than the above RETURN DATE.

The total fees are based on current government fees and take into account any applicable reductions for small entities. **Delayed instructions for payments requiring special rush handling or payment after the DUE DATE (with government surcharge) will result in higher costs.** Since future maintenance fees may be affected by a change in a patent owner's small or large entity status, advise us promptly of any such change so we can properly calculate future maintenance fees. In the absence of further advice, we shall assume that the fee status for any patent listed below is the same as currently shown in our records.

Due to the large expenses to be paid for maintenance fees, we will submit our invoices for the AMOUNT DUE when we receive your instructions. Full PAYMENT of the AMOUNT DUE must reach us no later than two weeks before the DUE DATE. MAINTENANCE FEES WILL NOT BE PAID UNLESS WE RECEIVE YOUR PAYMENT IN ADVANCE. IF PAYMENT IS MADE BY BANK WIRE TRANSFER NEAR THE DUE DATE, ADVISE US BY FACSIMILE.

ACKNOWLEDGMENT
OF MAINTENANCE FEE INSTRUCTIONS

Dear Client:

We **confirm** receipt of your instructions regarding payment or non-payment of maintenance fees for the U.S. patents listed below. If we received no instructions regarding payment of a maintenance fee, we did not take any action in the matter and we have confirmed below that instructions have not been received.

If we have received your advance payment for the listed fees, the payment is reflected on the enclosed invoice and we will pay or have already paid the listed fees by the due date. ***Please Note: If we have received your instructions to pay the listed fees, but have not received your payment for the fees by the DUE DATE listed below, we will NOT pay the fee, which will result in lapsing of the patent unless the fee is otherwise timely paid.***

Any patent for which payment of the maintenance fee was not made will lapse on the 4th, 8th or 12th anniversary of the grant of the patent, whichever anniversary occurs without payment being made of the fee then due, unless the fee, with substantial surcharges, is paid within a grace period of six months before such anniversary.

If your records do not agree with this acknowledgment, contact us immediately to inform us of the proper instructions for payment of maintenance fees.
